

MATHCOUNTS 2018-2019

We are happy to announce the start of Glasgow's 2018-2019 Mathcounts competition program!

All students are eligible to try out for the Mathcounts team. There will be two tests to determine which students will continue: a top 25 test and a top 10 test. Students in the top 10 will compete at the local competition, either as official team members or as individual students. Depending on their performance, these students may also advance to the state or national competitions.

If your child is interested in participating, he or she should plan to attend weekly practice sessions. Practice dates through October are listed below. An updated calendar will be given to top 10 team members in October. Practices will continue to be held on Tuesday afternoons. Practice ends at 4:00 P.M. **Students must be picked up on time, or they will not be allowed to participate.**

There is no fee to participate; however, students are asked to take turns in providing snacks for their group members.

| Date | Practice Type | Who Should Attend? |
|--------------|-----------------|-------------------------|
| September 10 | Open practice | All interested students |
| September 17 | Open practice | All interested students |
| September 24 | Open practice | All interested students |
| October 1 | Top 25 test | All interested students |
| October 15 | Top 25 practice | Students in the top 25 |
| October 22 | Top 25 practice | Students in the top 25 |
| October 29 | Top 25 practice | Students in the top 25 |
| November 5 | Top 10 test | Students in the top 25 |
| November 12 | Top 10 practice | Students in the top 10 |
| November 26 | Top 10 practice | Students in the top 10 |
| December 3 | Top 10 practice | Students in the top 10 |

If you would like for your child to participate in Mathcounts, complete the bottom portion of this form and return it to Mr. Bankston (A12) by the end of homeroom on Tuesday, September 4.

✂-----

Student's name _____

I give permission for my child to stay after school for Mathcounts practice. Meetings will be on Mondays from 2:25-4:00. Mr. Bankston will chaperone the practice sessions. I understand that I must pick my child up on time, or my child will not be allowed to continue to participate in Mathcounts.
