Glasgow Middle Distance Education

Beginning April 27th, students will have daily interaction with Glasgow teachers (see schedule Distance Education Student Weekly Schedule) utilizing Microsoft Teams. Students will have daily assignments posted to Google Classroom that will need to be completed. Information for grading during the 4th 9 weeks will be forthcoming.

- Students are expected to log into each of the Google Classroom accounts daily.
- Students are expected to participate in Microsoft Team meetings at the assigned times.
- Use of chromebook is for school use. The same monitoring programs will be in place.
- Teachers will contact nonparticipating students.

Guidelines for Microsoft Teams meetings:

- Students should be dressed appropriately. While they do not need to wear their school uniforms, they should be in clothing that is school appropriate.
- Students should mute their microphones when not talking.
- Students should use appropriate language.
- Students should be kind and respectful when responding to each other.
- Students should sign off of the meeting when instructed by the teacher

Overall, this is a classroom setting and students should conduct themselves as if they were actually in the classroom. The guidelines listed in the EBR Technology Use policy will continue to be followed.
