Dear Parents/Guardians:

As you already know, your each child is expected to achieve a mandated performance score on the **State** test. To assist each student in performing the best that he/she can, Glasgow Middle School will be offering **after school tutoring sessions Monday through Thursday. The program will begin January 27th.** The after school tutoring will begin at 2:30 and end at 4:30. A free snack will be provided to each student each day by the Child Nutrition Program, as well as transportation if your student regularly rides a bus.

Your child has been invited to attend this tutoring opportunity, and we hope that you will allow them to attend. However, if your child **fails to attend consistently or his/her behavior interferes with the tutoring program**, he/she will be excused from the program. If you are interested in this **FREE tutoring service** for your child, please complete the form below and return it to Dr. Kelly McFatter.

Sincerely,
Erin Howard, Principal
