

# The Gator Class of 2022

## Fee Agreement

My child, \_\_\_\_\_, an eighth grader at Glasgow Middle School, has my permission to participate in the Class of 2022 festivities during the week of May 6, 2022, to May 13, 2022. I have enclosed \$80 for payment of my child's eighth grade fees. I understand that a student **will not** be granted a refund, even if that student fails to comply with Glasgow Middle School policies, procedures, or behavioral expectations and is therefore suspended or expelled. Students who are suspended or expelled will receive their keepsakes but **will not** be able to attend the eighth-grade festivities. We have reviewed the details and are aware of the following information:

- My child must not accumulate more than 2 visits to the Time Out Room between April 25, 2022 and May 6, 2022.
- My child must pay the fees associated with 8<sup>th</sup> Grade Week to be eligible to receive snacks and prizes made available during 8<sup>th</sup> Grade Week.
- There are no PARTIAL fee payments.
- My child must wear their 8<sup>th</sup> grade shirt with jeans/modest shorts/uniform pants and tennis shoes to the Audubon Zoo Field Trip.
