REACH HIGHER THIS SUMMER

Summer Discovery Institute for the Gifted programs offer talented and creative students an unparalleled academic curriculum that is challenging, interactive, and hands-on.

Students will thrive in a safe and nurturing environment while also building essential life skills – like leadership, communication, teamwork, and self advocacy. Inside and outside the classroom, our program provides a balanced experience helping students develop friendships, build self-confidence, and embark on fun adventures.

Our academic approach and STEAM+ curriculum is:

- Multidisciplinary
- Real-life problem based learning
- Hands-on, interactive learning
- Flexible and personalized instruction
- Small class sizes
- Programming for the whole person
